

TJCL CONVENTION AT WHITE STATION

Thanks to the hard work of teachers and students across the State, the 39th annual TJCL Convention (April 21-22) at White Station High School in Memphis was a roaring success. Academic testing, artistic endeavors, and many other adventures went off without a hitch, and after sweating out the rain, even the Olympika events were successfully completed.

Elections for student Officers were held with much enthusiasm and some rather amusing campaign practices. The results for the 1995-1996 officers are: Kai-Yu Hsiung of White Station as President; Kristin Campbell of Harpeth Hall School for Vice-President; Elizabeth Glinski of Seymour as Secretary; Stacey Scheib of Clarksville as Treasurer; and William Weaver of Houston as Parliamentarian. In addition, Heather Payne and Kristi Glover of Ooltewah were appointed as Historians, and Howard Herrell was reappointed as the *Tennessee Torch* Editor. Congratulations to the newly elected and appointed officers.

Enthusiasm and pride ran high among the many schools competing against each other in various activities such as skits, the chariot race, certamen, and the spirit contest.

No location was set for the 1996 Convention, although custom would have it somewhere in East Tennessee. Regardless of the place, we can only hope that it is as fun as this year's Convention was at White Station.

TJCL CHAPTER REPORTS

Beech Senior High School

Once again, Beech JCL comes to the rescue: The (CDC) children were in need of a special thermoscan thermometer. JCL sold over 800 pieces of candy to pay for the thermometer. This year we will give Easter baskets full of candy and presents, and in return we are given lots of love and laughter. Every year, BHS has a Country Fair day, where students have a free day just to have fun. Every annus JCL has a booth. Last year we sold chicken nuggets, lemonade, and candy apples. This year we are selling nachos and doing face painting. The money we raise will be put into two scholarships for Latin seniors to buy books. We plan to award two \$200 scholarships.

Latin 3/4 with their Sweepstakes Trophy from Midstate Contest

After winning 2nd place in the Midstate JCL Competition with 76 ribbons, we went and celebrated at the Hard Rock Cafe. Congratulations to 1st place winners: Kristine Kelly, Marya Wilkerson, Chris Slater, Laurie Ishak, Diba Enayat, Scott Johnson, Andrew Stacey, and Zak Wilgus. Venimus, vidimus, vicimus, at the Flint Hill Classical Literature Exam, with a total of 44 certificates (one gold, fifteen silver, twenty-eight bronze!). On the Flint Hill Common Latin Errors test, we won five gold, thirteen silver, and twenty-two bronze certificates. We are currently awaiting results of the National Latin Exam, National Mythology Exam, and Flint Hill Derivatives Exam.

JCL also teamed up with Student Staying Straight to purchase and put up anti-drug and positive relationship posters in our cafeteria.

Editorial

Another year is over and another successful Convention has passed. As the Convention moves to the East (wonder where it will be?), our thoughts should move towards the NJCL Convention this summer in Kansas. After hosting the National Convention last summer, we now again get to travel to another state, among other states, and show them what we are truly made of.

The NJCL Convention will be our chance to show the rest of the country that our pride in the TJCL experience shines just as brightly away from

home as it does at the University of Tennessee, Knoxville, where we won the Large State Spirit Contest twice!

After the TJCL Convention last month, I can safely say that Latin is alive in Tennessee now more than ever. I was inspired by the dedication and hard-work of both the teachers and the students who helped put together one of the most successful Conventions ever. Of course, this is no time to rest in our laurels. Every year, things seem to get better in the TJCL, and I would encourage the new Officers to give their all to insure that the luster of TJCL never fades.
