Letter from the Editor

Salvete omnes!

I can't believe this is my final Torch! *sobs* It has been so fantastic to hear from all of you across the state and get to know each chapter better. I will certainly miss getting to connect with you through Torch. But never fear! Our next editor Ella Curlin, who helped me with this Torch, will soon be taking over. A HUGE thank you to everyone who submitted and wrote! This final edition would not exist without your input. Additionally, please continue submitting for Photo of the Month! It will count for sweepstakes points! I loved getting to see everyone at our state convention and I hope to see everyone at Nationals!

Gratias et vale!

Chapter Updates

Martin Luther King, Jr. Magnet

MLK JCLers collected items for the Urban Bicycle Food Ministry. Items included food, clothing, sleeping bags, hot hands, and tarps. JCLers also participated in our school's world language week locker decorating contest. MLK JCLers are looking forward to celebrating Classics week in April with posters, announcements, and food.

-Maria Marable

Clarksville High School

Greetings from Clarksville High School JCL!

Our chapter has been busy as always, especially with us just wrapping up the State Tournament. We are proud of all of our students who played and for those who placed as well. We are glad to have had the opportunity to attend in person this year, as it was the first time for the majority of our chapter. Overall, we had a wonderful time at State, and we are ecstatic that we were able to meet you all.

From,

Allister Banasiak and Andrew Bailey

Christian Brothers High School

The TJCL at CBHS has a long tradition of passing on the torch of commitment to the next club members every spring. The president and I presented the new members of the Latin Honor Society with certificates of acceptance in front of parents and students. As we read aloud our verbal commitments to the society in Latin, the new members also accepted the responsibility of leading the TJCL at CBHS. We were proud to accept them and know that the next class will be very active and successful in their pursuit of classical endeavors.

-Will Enterline

Vice President of the TJCL at CBHS

Service

At the annual TJCL convention this year, students wrote letters to service members in the United States military. Students gathered in the main hall together with paper and markers to write numerous letters that would show gratitude to those serving the US. Additionally, Coin Wars was held again to raise money for Le Bonheur Children's Hospital! Having received the most money out of all of the officers, our 2021-2022 Second Vice-President had to sing "I Won't Say I'm in Love" from Disney's Hercules.
